## **Introduced by Assembly Member Bonilla**

December 3, 2012

An act to amend Section 16428.8 of the Government Code, relating to climate change.

## LEGISLATIVE COUNSEL'S DIGEST

AB 26, as introduced, Bonilla. California Global Warming Solutions Act of 2006: Greenhouse Gas Reduction Fund.

The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from the auction or sale of allowances as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation by the Legislature.

This bill would make a technical, nonsubstantive change to this provision.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
